Title: State Home Programs for Veterans (VA Forms 10-5588, 10-5588A, and 10-10SH)

OMB Control Number: 2900-0160.

Type of Review: Reinstatement with change of a previously approved collection.

Abstract: Congress passed Public Law 115-159, the State Veterans Home Adult Day Health Care Improvement Act of 2017, requiring VA to pay State homes for medical model adult day health care to certain eligible Veterans, and Title 38, CFR Part 52, which provides for the payment of per diem to State homes that provide adult day health care to eligible Veterans. It also continues to provide for the payment of per diem to State homes that provide care to eligible Veterans in accordance with Title 38, CFR Part 51. The intended effect of these provisions is to provide a safeguard that Veterans are receiving high quality care in State homes.

This information collection is necessary to ensure that VA per diem payments are limited to facilities providing high quality care. To verify this level of care, VA requires those facilities providing nursing home care, domiciliary, and adult day health care programs to Veterans to supply various kinds of information. The information required includes an application/eligibility for admission and justification for payment; records and reports which facility management must maintain regarding activities of payment for eligible residents or participants; and the records and reports that facilities management and health care professionals must maintain regarding the level of care approved for

residents or participants.

This OMB Control Number previously included six additional forms, VA Forms 10-0460, 10-0143, 10-0143A, 10-0144, 10-0144A, and 10-3567, which have now been separated out into another information collection (to be approved under a separate OMB Control Number). This information collection, under OMB Control Number 2900-0160, now includes only three forms: VA Forms 10-5588, 10-5588A, and 10-10SH.

- b. VA Form 10-5588A: Claim for Increased Per Diem Payment for Veterans Awarded Retroactive Service Connection – 38 CFR 51, 52 and Title 38, U.S.C., Sections 1741, 1742, 1743 and 1745 -- is used to assess and provide per diem to State homes retroactively. This collection is used by the State home employees and VA Staff.
